Grant, Peter

Subject: amendment drafting request

Hi Peter,

Luther would like amendments to three bills you drafted.

AB 472 - The bill says that to participate in the MPCP, the family income must be less than 2.2 times FPL (current law is 1.75). Luther would like an amendment that changes that so that a child can get in the program when his/her family's income is 1.75 times FPL and can stay in the program until the family's income reaches 2.2 times FPL.

AB 331 - Luther would like to remove the section of the bill that sets MPS school board salaries at \$18,121 (and board president at \$18,670) and simply retain the section of the bill that says that the board can't raise their own salaries, they can only raise the salaries of future boards. Basically, this removes the second paragraph of the analysis.

AB 504 - Luther doesn't want the schools to be able to give preference to certain pupils. I think this means we want to get rid of the part that says "the contract may authorize the charter school to give preference in admission to any pupil whose parent or guardian is employed by the business..."

If you have any questions, let me know.

Thanks for your help.
